Covid-19 Update:

As of Monday, June 29, our building, including our fitness center and gymnasium, is back open to the public. Childcare returned on July 6th with increased safety precautions. In following the stage 4 guidelines, we ask that anyone who enters the building to wear a mask to protect themselves and others. This situation is ever evolving, and we understand that things can change at any time. With that being said, we are moving forward slowly with offering fewer special events, programs, and trips than normal. The next few pages are filled with some of the exciting activities that we have planned for the remainder of Summer and Fall.

To register for programs, please visit our Community Center at 500 S. Kankakee St. in Godley or give us a call at 815-458-6129.
